

The Internet never forgets

Got this email today-

Hello,

We're interested in placing a promotional link on: <http://www.chainreaction.com/tdfdrugscandal.htm> for a website about Drug Rehabilitation.

If you already have an arrangement or ad rates in mind, We'd be more than glad to hear from you.

Regards,

Valerie Elden

If you go to the link mentioned- <http://www.chainreaction.com/tdfdrugscandal.htm>, you'll find a short piece I wrote in 1998 about the latest cycling drug scandal. Some robot searching the 'net found the content to be something that someone interested in drug rehabilitation might read. Too late though; Marco Pantani (mentioned in my piece) died in 2004. --Mike--
