

84 now closed on east side near Skyline

Our group Thursday morning may have been one of the last to make it through 84 before they shut it down completely. Apparently it's going to be two days before they open it up again, and then it's for local traffic only. This is going to put a lot of extra traffic onto Kings & Old LaHonda, so please be extra-careful.

The video shows you where the washed-out sections are.
