

On a ride to nowhere

Actually Kevin and I are on a ride-until-it's-dark ride. It was supposed to be Pescadero Tunitas but Kevin wanted to do something different and suggested one way to Santa Cruz which morphed into let's see how far we can go.

Right now we're in Davenport waiting for lunch. It's 1:16pm, we are 53 miles from home and it's dark at 5:30. Film at 11
