

All I need to know

"I don't fuc*ing care that they have weapons. They're not here to hurt me. Take the fuc*ing mags away. Let my people in. They can march to the Capitol from here. Let the people in. Take the fuc*ing mags away."

People can argue all day about laws that Trump may or may not have been broken. At some point we have to recognize clarity of purpose is all that matters. "Mags" refers to devices (metal detectors) used to detect weapons (knives and guns) during the insurrection.
